Welcome to Melbourn Primary School

Making Learning Irresistible

Welcome to our website. We hope you find it informative and that it provides you with a flavour of the special nature of our school.

We are a happy and caring school with a strong sense of community. Learning is at the centre of all we do; we strive to provide a dynamic and inspiring education which appeals to the many interests of the children. We work hard and strive for excellence in our school; our aim is that everyone in our school reaches the highest standards of achievement possible whilst becoming confident and independent.

We are very proud of our school and the learning that takes place. We believe that children learn best when the school and parents work together in partnership. Our policies are based on equal opportunities for all.

If you need any further information or would like to visit the school, please contact the school office.

Mrs Stephanie Wilcox

Headteacher
